Piasa Chantauqua.

Piasa Chautauqua is a summer resort that is well known, and should be better known among the people of the Mississippi Valley. It is fast becoming a pleasure resort for people living within hundreds of miles. Its situation is between two of the magnificent bluffs that line the Mississippi river above Alton, Ill. These bluffs are famous in history as the home of the "Legend of the Piasa," and are noted the world over for the grandeur and beauty of their scenery. Thirteen miles above Alton, on the Illinois side, Piasa Chautauqua lies between two of the highest and most beautiful of them. It is convenient to St. Louis and all stations on the railroads of Central Illinois and Missouri. The steamboats of the Mississippi land excursionists who invariably find it a place of contentment and enjoyment. It is laid off into streets and avenues that are lined with trees and flowers. There are long walks and beautiful grass plots for the benefit of picnic parties. A spring of water so cool and refreshing that it rivals that of the "Old Oaken bucket." is constantly bubbling up from the side of one of the bluffs. This spring has a well known reputation for its purity and excellence. The climate of this resort is everything that could be wished for; not too hot, not too cold, no mosquitoes (contrary to the usual summer resort) nights cool and refreshing, and an atmosphere invigorating, clear and pure. Scenery is never found more beautiful in America. From the bluffs the Missouri and Illinois rivers may be seen. On the Mississippi the boating and bathing opportunities are especially good. All Steamers stop at Piasa Chautauqua where excursionists take their outing. Once a year the Piasa Chautauqua Assembly meets and for one month gives a program of Literature, Science, and Music. This program is made up by the most eminent entertainers obtainable. An auditorium built with splendid acoustic properties affords an opportunity for thousands to see and hear the best lectures, entertainments and musicals that can be inaugurated. The scenery of Piasa Chautauqua is superb, its surroundings grand and stately, its climate all that could be wished for. Beautiful for situation, the joy of the whole earth is Piasa Chautauqua. a haven of beauty and rest.

The 9:15 train that leaves the camp ground made it convenient for Jerseyville and Carrollton people to hear evening program and return home the same night. Thursday night the same Company gave another entertainment which delighted a large and appreciative audience.

—Wednesday evening the Arion-Cooke Combination gave their first entertainment here. The program consisted of ten numbers every one of which was encored again and again. Mr. Cooke's recitations were very much enjoyed. His description of the young man waiting for his lady to 'get ready' was quite laughable. Mrs. Adele V. Holman, who was one of Jerseyville's young ladies, sang a solo by the request of a great many Jerseyville people.

—Mr. and Mrs. C. B. Darrow and Mrs. W. E. Darrow, of O'Fallon, and Miss Cora Sawyer, of Nashville, are enjoying their first visit to Chautauqua, and express themselves as being delighted with its beauties.

—Epworth League Day was a star number of the program of the Assembly this year. The speakers were taken from the highest ranks of the association and they made the auditorium ring with their speeches. Bishop Ninde was the principal speaker of the day. His subject was "The Crowning Aims of Epworth Leaguers." Bishop Ninde is the President of the Epworth League.

—The program of the afternoon was opened by the Chautauqua choir. The second number was a solo by Mr. Delicate, of Edwardsville. The third number was a short talk by Mr. W. S. Courtney, Ex-President of the St. Louis City League. Rev. Mr. Van Cley was one of the speakers that everyone was anxious to hear. The "Holy City" was sung to the pleasure of all by Master Robert Johnson.
