Piasa Chautauqua.

Piasa Chautauqua is a summer resort that is well known, and should be better known among the people of the Mississippi Valley. It is fast becoming a pleasure resort for people living within hundreds of miles. Its situation is between two of the magnificent bluffs that line the Mississippi river above Alton, Ill. These bluffs are famous in history as the home of the "Legend of the Piasa," and are noted the world over for the grandeur and beauty of their scenery. Thirteen miles above Alton, on the Illinois side, Piasa Chautauqua lies between two of the highest and most beautiful of them. It is convenient to St. Louis and all stations on the railroads of Central Illinois and Missouri. The steamboats of the Mississippi land excursionists who invariably find it a place of contentment and enjoyment. It is laid off into streets and avenues that are lined with trees and flowers. There are long walks and beautiful grass plots for the benefit of picnic parties. A spring of water so cool and refreshing that it rivals that of the "Old Oaken bucket," is constantly bubbling up from the side of one of the bluffs. This spring has a well known reputation for its purity and excellence. The climate of this resort is everything that could be wished for; not too hot, not too cold, no mosquitoes (contrary to the usual summer resort) nights cool and refreshing, and an atmosphere invigorating, clear and pure. Scenery is never found more beautiful in America. From the bluffs the Missouri and Illinois rivers may be seen. On the Mississippi the boating and bathing opportunities are especially good. All steamers stop at Piasa Chautauqua where excursionists take their outing. Once a year the Piasa Chautauqua Assembly meets and for one month gives a program of Literature, Science, and Music. This program is made up by the most eminent entertainers obtainable. An auditorium built with splendid acoustic properties affords an opportunity for thousands to see and hear the best lectures, entertainments and musicales that can be inaugurated. The scenery of Piasa Chautauqua is superb, its surroundings grand and stately, its climate all that could be wished for. Beautiful for situation, the joy of the whole earth is Piasa Chautauqua, a haven of beauty and rest.

Lemonade made from the juice of a
 lemon is one of the best and safest
 drinks for any person, whether in
 health or not. It is suitable for all
 stomach diseases, excellent in sickness,
 in case of jaundice, gravel, liver com-
 plaint, inflammation of the bowels and
 fevers. It is specific against worms
 and skin complaints. The peppens
 crushed may be used with sugar and
 water, and taken as a drink. Lemon
 juice is the best antiscorbutic known.
 It not only cures the disease but pre-
 vents. Sailors daily use it for that
 purpose. We advise every one to rub
 their gums with lemon juice to keep
 them in a healthy condition. Lemon
 is used in intermittent fevers, mixed
 with strong, hot black coffee, without
 sugar. Neuralgia, it is said, may be
 cured by rubbing the part with cut
 lemon. It is valuable also to cure
 warts. It will remove dandruff by
 rubbing the roots of the hair with it.
 It will relieve and finally cure coughs
 and colds, and heal diseased lungs, if
 taken hot on going to bed at night.
 Its uses are manifold, and the more
 we employ it internally the better we
 shall find ourselves. A Doctor in
 Rome is trying it in malarial fever
 with good success, and thinks in time
 it will supersede quinine.
