OLD SALEM CHAUTAUQUA

ON this Twelfth Anniversary of Old Salem Chautauqua and the One Hundredth Anniversary of the immortal Abraham Lincoln, the memory of whose romantic life was so interwoven with the life and history of these wooded hills and rippling waters, the management of the Chautauqua presents to its many friends and patrons the Twelfth Program Booklet with the assurance that a careful perusal of its pages will convince the reader that nothing has been left undone in the building of this program to secure to its many friends the greatest pleasure, profit and entertainment during the coming assembly..

THE JENISON HALL OF APPLIED CHRISTIANITY.

It was New Salem that gave Abraham Lincoln to the world. To New Salem he came, a poor, wandering day laborer, unknown, unprepared, undeveloped, without the ties of a home or the support of friends. Here he lived, sacrificed, toiled and studied. Here he grew into his own characteristic individuality.

New Salem, known now as Old Salem, discovered Abraham Lincoln and gave him his first opportunity and recognition.

THE OLD SALEM MILL.

By the unanimous voice of his neighbors he was appointed postmaster. And, though the postoffice building may have been located in his old "stove pipe" hat, he fulfilled the obligations of this, his first official recognition, by a faithful observance of the trust.

Following this he was appointed surveyor and then elected to a captaincy in the Black Hawk war, and then to the Legislature of Illinois. From New Salem he took these first steps. At New Salem he prepared himself for the practice of law, and, being admitted to the bar, he passed out into the broader life, and the world knew him thenceforward, not as Abraham Lincoln, of Kentucky, or Indiana, but Abraham Lincoln, of Illinois.

Great honor to the place of his birth. Greater honor to the place that gave him to see and realize within himself that which God had bestowed upon him and the opportunity and incentive to bring it forth.

What Mount Vernon of the East is to the name of Washington, Old Salem of the West is to the name of Lincoln. Both sacred shrines of national love and true, unselfish patriotism.

Then, to this shrine of intellectual, moral and spiritual emancipation we invite you on this, the one hundredth anniversary of America's great emancipator.

Here on the banks of the Sangamon, in one of nature's ideal groves, you will find a city of 4,000 merry campers in beautiful cottages and airy tents, or the summer hotel, where, in the most delightful way, they visit, rest, study and worship. For Old Salem is not only restful but religious. No Sunday excursions have ever been run by any railroad

on account of this Chautauqua. Here the Sabbath is a day of quiet service. We earnestly seek to have our Heavenly Father in our midst.

The management gratefully acknowledges its obligations for the phenomenal patronage of preceding years. We always pride ourselves on giving to our patrons a program unsurpassed, and when this program reaches your hands you will be convinced that our reputation is again fully sustained.

Every attraction mentioned herein is under definite written contract to appear on the day and at the hour announced, and nothing but events beyond our control will prevent their appearance as promised.

Prof. F. Albert Arbuckle.

Mrs. Lucy L. Flickinger.

Edith Anderson Butler.

OUR ASSEMBLY MUSIC.

PROF. F. ALBERT ARBUCKLE of Lee, New Hampshire, who has had phenomenal success as chorus director in nearly every section of the United States at Chautauqua Assemblies, great religious conventions and tabernacle meetings, has been secured as chorus director at Old Salem for this season. Prof. Arbuckle, who had charge of the great chorus in the Stephens-Arbuckle meetings at Petersburg recently, showing himself a master in his profession, winning the hearts of the multitude, whose very souls he moved and inspired by the power of song, will receive the heartiest welcome and co-operation of any leader who ever appeared on our platform. Let every singer at Old Salem avail himself of the rare opportunity this season of joining the chorus class and get the benefit of this great teacher and chorus director. He will also have charge of the music at the morning Prayer Service each day.

MRS. LUCY L. FLICKINGER, the eminent accompanist, who so greatly delighted our people last season, will again preside at the piano. Mrs. Flickinger is a graduate of the Chicago Musical College and is unexcelled in her profession.

MRS. EDITH ANDERSON BUTLER, the power and beauty of whose voice so completely charmed and won our people last year, will be the soprano soloist for the week of August 11-18. She will need no introduction to an Old Salem audience. She will charm and inspire with her clear enunciation and sweetness of tone.

THE CHICAGO GLEE CLUB, consisting of splendid singers, also a male quartet of rare ability, and trombone quartet, which will delight

their audience, and a number of excellent soloists, will be a great feature of the afternoon and evening of August 16th.

THE JEFFRIES ORCHESTRA. The name Jeffries connected with anything musical means "the best," and the management feels that in securing the Jeffries Orchestra for the entire assembly, a decided step forward has been taken. These players will come to Old Salem fortified, strengthened and under the direction of Prof. Stafford, who was a favorite violin pupil of Sevvick, the greatest teacher of the present day, and has played in the larger European Symphony Orchestras with splendid success. Mr. Jeffries has surrounded him with a company of artists who will give generously of their splendid talents for the entertainment of our Chautauqua. Miss Brown's "child songs," as well as instrumental solos, duets and trios by other members, in addition to the overtures, operatic selections, descriptives and novelties by the full orchestra will make each program a delight and joy to our visitors.

MISS ALICE SHEKELTON, the noted whistler, comes to us the last four days of the Assembly, and will whistle some of the brightest pieces from her extensive repertoire each afternoon and evening. Miss Shekelton is one of the very few artists who really whistle in tune, and her work is most delightfully enjoyable. Arrangements have been made to have the Jeffries Orchestra accompany Miss Shekelton's solos, thus giving an added beauty and finish to a most novel and charming attraction.

Miss Alice Shekelton.

Misses Imogene and Marguerite Riner.

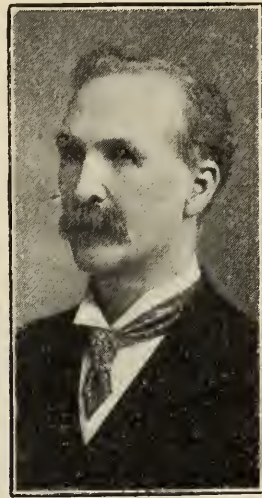

OUR ASSEMBLY READERS.

MISSSES IMOGENE AND MARGUERITE RINER, graduates with highest honors of the Anna Morgans School of Expression, Chicago, Ill., will be among the chief entertainers and readers the first week, August 11-20. The Riner girls are among Old Salem's warmest friends and greatest entertainers. The patrons of Old Salem will recall with pleasure the great hit they made last year when they put on "The Bird Center Orchestra," which carried our people by storm. Their appearance this season will greatly delight our people and assures us that we will be highly entertained.

MISS EEULAH WARREN GREENE of Chicago, Ill., comes to us for the week of August 20-26. Miss Greene is a reader of rare ability and never fails to please and entertain. She is a master of her art, combining ability, artistic temperament, sympathy, energy and a desire to please. She has an extensive repertoire of great variety, and is prepared to meet successfully the most exacting requirements of her auditors.

PROF. PAUL M. PEARSON, professor of speaking and rhetoric, Swarthmore College, Pennsylvania, returns to us for the fifth year. A more charming and instructive speaker never appeared before our people. His splendid work in the past four years has made him a prime favorite with Old Salem people, and created an urgent demand for his return again. He will appear at 10:45 A. M. on August 23, 24, 25 and 26.

Professor Pearson will not only have a crowd to hear him, but he will please, instruct and entertain them.

Miss Beulah W. Greene. Prof. Paul M. Pearson. Rev. Christie Galeener, D.D.

OUR ASSEMBLY PREACHERS.

REV. JULIEN S. RODGERS, D. D., of Atlanta, Ga., who will have charge of the Bible School, will deliver the sermon at 11 A. M., Sunday, August 15th. Dr. Rodgers is not only a great Bible teacher, but is also one of the most successful pastors and preachers in the South. He will bring an inspiring and soul-stirring message to the waiting multitudes at Old Salem on the first Sabbath of our Assembly.

REV. CHRISTIE GALEENER, D. D., of Springfield, Ill., will preach Sunday, August 22nd, at 11 a. m. Dr. Galeener is superintendent of the Springfield District, Illinois, M. E. Conference, and one of the strong men of the church. For a number of years he was dean of the Board of Examiners. He headed the list of delegates to the General Conference which met in Baltimore last year, and had been a delegate on several former occasions. He has filled pastorates at Quincy, Jacksonville, Springfield, Danville, Champaign, etc., and is serving a second term in District work. Able in the pulpit and on the platform, he has given much attention to social problems and civic reform and is a tower of strength on the temperance platform.

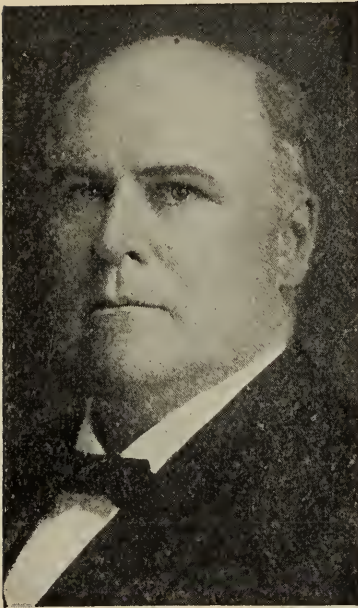

REV. WILLIAM A. SUNDAY.

OUR AFTERNOON LECTURES.

"BILLY" SUNDAY DAY. Rev. William Ashley Sunday, the greatest platform and pulpit orator of this age, will be the attraction for the opening day at Old Salem. This Napoleon of Evangelism is a dynamo of nervous energy, a trip-hammer of power, a consummate actor, a peerless preacher and advocate, an impassioned orator, a genuine man in deadly earnest, but on a great mission. As an athlete he had the tense springiness of a cat, and was the swiftest base runner the National League ever knew. He preaches and lectures with the same intensity. His intellectual machinery is set to a hair-trigger touch and his assaults upon shams, hypocrisy and brazen iniquity of all kinds are like gleaming thunderbolts. Billy Sunday is the people's idol, and leads the whole procession of Chautauqua lecturers in the great crowds he attracts at the assemblies. Hear him in his masterpiece, "Booze," at Old Salem, August 12th, at 2 P. M.

GOV. ROBERT B. GLENN, of North Carolina, will deliver his matchless address on "Our Country, Its Dangers and Its Possibilities,"

Gov. Robert B. Glenn.

Dr. L. G. Herbert.

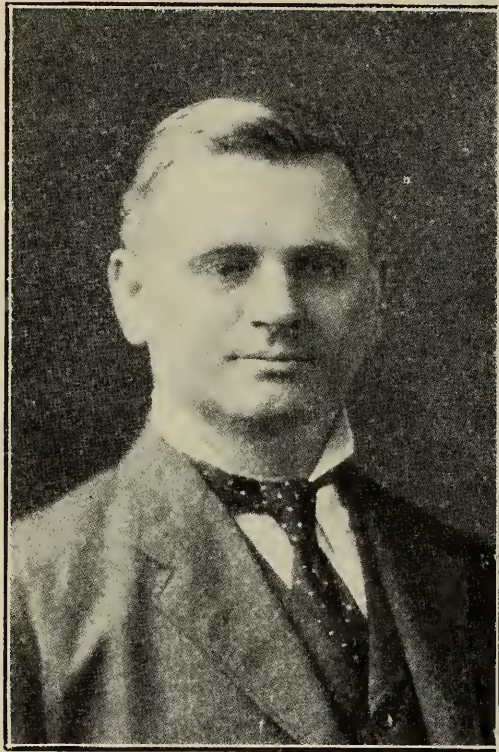

Hon. John Temple
Graves

on August 13th, at 2:30 P. M. Gov. Glenn is a big man physically, intellectually, politically and religiously. It is not too much to say that Gov. Glenn is one of the most popular speakers in the United States. He is considered one of the most eloquent men of the South. He has a great message to deliver, and with a soul on fire with the importance of his theme, with irresistible logic and that characteristic fiery Southern eloquence, he sweeps his audience like a cyclone. None of Old Salem's patrons can afford to miss this opportunity to hear this gifted Southern orator.

DR. L. G. HERBERT is a man of remarkable power. In humor, pathos, depth of thought, brilliancy of expression, poetic description and impressive delivery his equal is rarely found. Few men of the platform have come to the front with such rapid strides as Dr. Herbert. His lecture, "A Man Among Men," holds the most critical audiences enrapt from start to finish. He is a humorist as well as a philosopher; with richness of thought, he combines the humor of Burdette and Lamb. As a lecturer and man of letters, as a Christian of the highest type and a patriot of the noblest ideal, Dr. Herbert is one of the men on the platform today. He delivers his great lecture, "A Man Among Men," August 14th, at 2 P. M.

HON. JOHN TEMPLE GRAVES, brilliant Southern orator and lecturer, editor of the New York Journal, and candidate for the Vice Presidency on the Independent Party ticket in 1908, will deliver his masterful lecture, "The Reign of the Demagogue," at 2 P. M., August 16th.

Sickness last year prevented Mr. Graves from filling his engagement at Old Salem, but we are assured that no ordinary event will

Hon. Thomas P. Gore.

hinder his appearance at Old Salem this year. John Temple Graves is the South's greatest living orator. We will not say he is a second Henry Grady; he is more, he is John Temple Graves. He can have no imitators, no equals, no superiors.

HON. THOMAS P. GORE, United States Senator from Oklahoma, "The Blind Man Eloquent," whose stirring speech at the Denver Convention caused the sixty-four minute Bryan demonstration, and the wealth of whose poetic language, logic of thought and rapid flowing eloquence, grace and wit sways his audience till they laugh, weep, cheer and applaud, will deliver his great lecture, "Abraham Lincoln and Jefferson Davis," August 17th, at 2:30 P. M. Under this subject he will take a broad view of the great questions involved in the conflict between the North and the South, preceding, during and following the Civil War, showing sincerity of purpose on both sides, and indicating the method to be adopted by both, to the end of making that dreadful war a commensurate blessing to the Nation.

An eminent speaker will be procured for the hour of 2:30 p. m., August 18th.

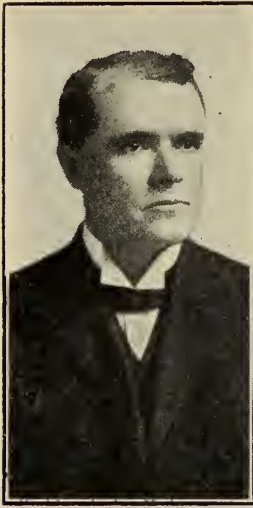

Dr. Ernest Wray O'Neal. Dr. Wm. S. Sadler, M. D. Lena K. Sadler, M. D.

DR. ERNEST WRAY O'NEAL, pastor of the First Methodist Church of Chicago, comes to us August 19th at 2 P. M., with his lecture, "Popular Fallacies." He is an orator of great power and when fairly launched upon his favorite theme, he is a thunderstorm, with a torch-light procession and pyrotechnic display thrown in. His vivid description thrills the hearts of his audience as the bugle strikes a sympathetic chord in the soldier's breast. He electrifies an audience and carries it spellbound throughout his entire lecture. An eloquent speaker, a deep thinker, and a profound logician, he is sure to make good.

DR. WM. S. SADLER, M. D., will deliver his popular lecture, "The Home Sanitarium," at 2 P. M., August 20th. Lecture with demonstrations by Dr. Sadler and trained nurse. Dr. Sadler, while a successful pastor, was also the founder and first editor of "The Life Boat Magazine," and for years secretary of the Chicago Medical Mission, with its vast relief work, and half a score of institutions engaged in evangelistic, social and other philanthropic and reform efforts, and several years superintendent of the "Life Boat Mission," in the heart of Chicago's submerged district. This lecture will be found in accord with the latest scientific researches, highly instructive, interesting and entertaining.

C. L. S. C. DAY. The afternoon of August 21st will be given over to the graduating exercises of the C. L. S. C. A splendid program has been arranged. A noted lecturer will address the graduating class, who, having passed the arches, will be admitted through the Golden Gates and amid the beautiful flowers and inspiring mottoes receive their diplomas. This is, after all, the ideal for which the Chautauqua exists and should be made one of the most attractive, instructive and enjoyable events of the entire program.

OLD SALEM CHAUTAUQUA

Rev. M. C. Cockrum.

Hon. L. H. Moore.

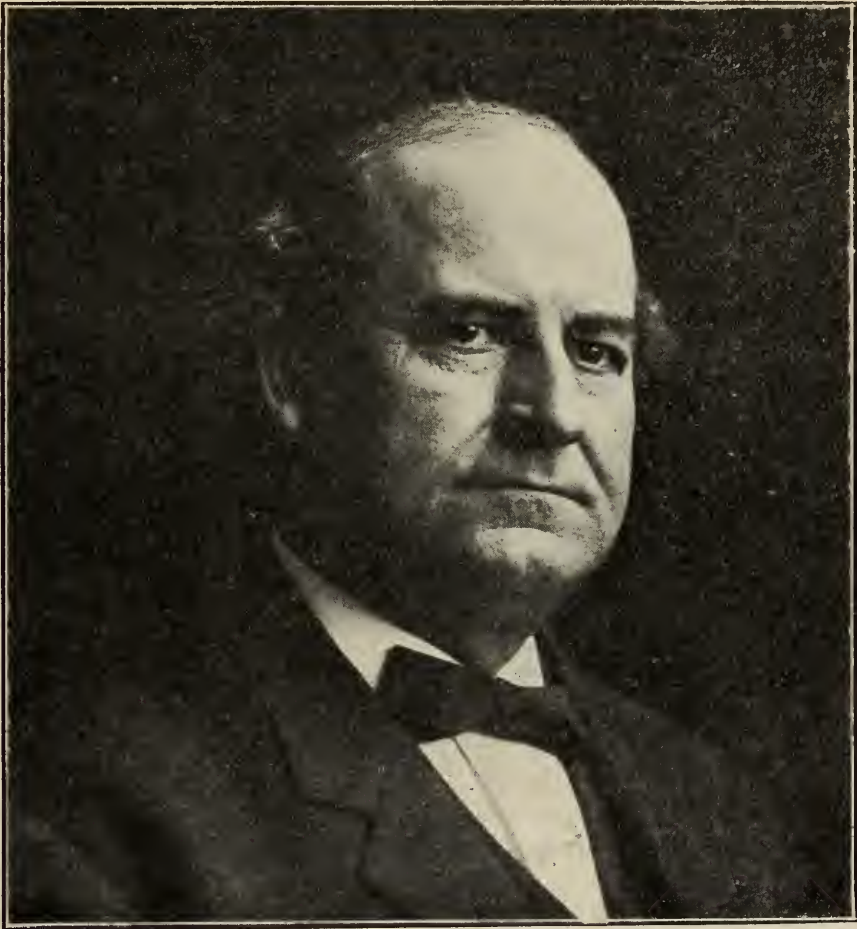

Dr. John Merritt
Driver.

HON. L. H. MOORE, the commercial-traveler-lecturer, and ex-president of the Arkansas Travelers' Association, comes to us on August 23rd, at 2 P. M., with his lecture, "The Great American Drummer." He is a typical drummer and one of the most interesting and gifted speakers upon the platform. His story of the commercial interests of the country will reveal many new and startling facts which will no doubt both edify and instruct his hearers and at the same time give them a splendid opportunity to "laugh and grow fat." This will be "something new under the sun."

DR. JOHN MERRITT DRIVER comes to us for the third time. All who heard him before will gladly hear him again. A splendid physique, strong personality, university culture, of both Europe and America, rich, musical voice, dramatic training and instinct, at home in history and literature, observation and experience of wide travel, Dr. Driver stands easily among the first and best lecturers of the land. He will lecture on "Ultimate America," August 24th, at 2:30 P. M.

HON. WILLIAM JENNINGS BRYAN, America's first citizen, and the world's greatest orator, comes to Old Salem for the fourth time. He will deliver his lecture, "The Price of a Soul," on August 25th, at 2 P. M. This is doubtless a fit companion to his "Prince of Peace," and will afford a rare field for the display of his marvelous powers of mind and soul, and will lend inspiration and holy fire to his matchless oratory. You may expect Mr. Bryan at his very best at Old Salem this year.

DR. SAM A. STEEL, the eloquent Southern divine, who so completely electrified and captivated the patrons of Old Salem several years ago with his lecture, "Home Life in Dixie During the War," will come to us on the closing day this year. His subject will be "When Chivalry Was in Flower; or the Character of Gen. Robert E. Lee."

HON. WILLIAM JENNINGS BRYAN.

Dr. Steel possesses all the qualities of an orator and a stage power that is remarkable, holding his audience spellbound from the very beginning to the close. He is truly one of the most magnetic orators of the day. This lecture is replete with historical facts; its sentiment is beautiful and inspiring; it touches the tenderest chord in the heart of every patriotic American, and more especially alike of those who wore the blue and the gray.

Dr. Steel comes August 26th, at 2 P. M.

OUR EVENING ENTERTAINMENTS.

JEFFRIES ORCHESTRA will open the Assembly with a concert on August 11th at 7:30 P. M. This splendid orchestra has a reputation second to none in the whole country and our people can well afford to congratulate themselves upon the splendid musical treat that is in store for them this season. Let everyone come out to this opening entertainment and give the Jeffries Orchestra a right royal welcome.

Dr. Sam A. Steel.

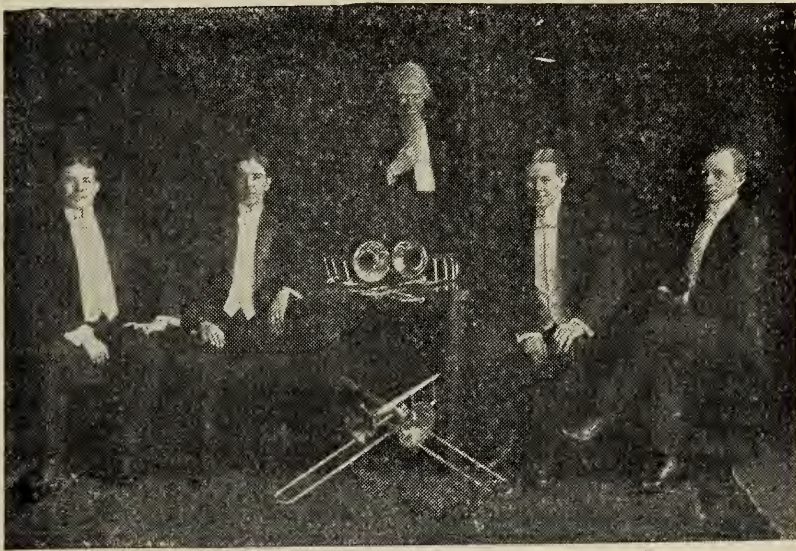

Fred Held.

FRED HELD, of Brooklyn, N. Y., with his superb motion pictures, will be the attraction for the evenings of August 12th and 13th, at 8 P. M. Mr. Held has had thirteen years' experience in operating moving pictures. The machine used will be the best that money can procure, one which will produce a clear, steady picture. The pictures will be the very latest and best, selected with great care to meet the Chautauqua taste. He assures us that he will present the newest, best and most expensive series of motion pictures ever shown.

STREET SURVEYED BY LINCOLN AT OLD SALEM.

CHICAGO GLEE CLUB.

THE CHICAGO GLEE CLUB will be the attraction on the evening of August 16th at 8 P. M. This will be the eighth successful Chautauqua season for this excellent company of singers and entertainers. The club offers three distinct features; the male quartet, long regarded as one of the very best in the country; a full company of soloists; the trombone quartet, which has proven to be one of the most pleasing and attractive novelties ever offered to the public. This feature is often the most popular part of the program.

Mr. Dixon, basso of the Club, is an impersonator of unusual ability. His offerings of some of Riley's poems are among the best hits of characterization on the platform. The Glee Club will give a full program of rich entertainment.

R. G. KNOWLES, the humorous American traveler, is no doubt the greatest stereopticon lecturer and moving picture man in the world. He has traveled abroad for almost twenty years; has entertained kings, hobnobbed with princes, been received by presidents, courted by statesmen, patronized by viceroys and governor generals, dined by lord mayors and he has created laughter in every part of the world. He is unique and so is his work. He received \$3,000 for six nights in Johannesburg, South Africa. The Johannesburg Daily Mail said: "No more brilliant audience ever assembled within this city: no more brilliant entertainer ever appeared in any city on earth, and no better satisfied audience ever left any place of amusement." Hear him and you will never forget it. Fail, and you will always regret it.

He comes August 17th and 18th, at 8 P. M.

REV. ROBERT A. GEORGE, pastor of Trinity Congregational Church, of Cleveland, Ohio, comes to us on August 19th at 8 P. M. in one of the most marvelous productions of the age, "The Hiawatha Legend and Indian Passion Play." This is not a picture show, but a

classic lecture, illustrated by over one hundred and fifty superb lantern paintings and more than two thousand feet of moving pictures. "It is the most beautiful entertainment that we have ever had at Lake Orion Chautauqua. 'The Indian Passion Play,' founded upon the story of the Indian Messiah Hiawatha, is made luminous by the classic lecture, and after hearing it three times, I would count it a delight to

hear it again. The views, most of which were taken by the lecturer himself and tinted by his wife, were the finest I have ever seen. The ancient Ojibway songs sung by Mrs. George greatly pleased the people. Before leaving the church, there was a proposition from the audience to have it repeated."—Rev. O. Badgley, pastor Pearl Street Methodist Episcopal Church, Cleveland, Ohio.

DR. WILLIAM S. SADLER will be the attraction on the evening of August 20th at 8 P. M., with a stereopticon lecture, subject, "Health Hints," and on the evening of August 21st, "Child Life in the Slums." These lectures promise to be of the greatest importance from an educational and scientific standpoint, and are certain to instruct and entertain in the highest degree.

EDWARD P. ELLIOTT stands for the Chautauqua as the moral and intellectual substitute for the theater. He takes the greatest plays of the stage and acts them out in living characters. On August 23rd at 8 P. M., he appears in his masterpiece, "The Lion and the Mouse," the most human, vital, thrilling story ever presented on the American platform. It is the story of a girl's fight against a thousand million dollars to save her father from the clutches of the giant trusts. It gives you an insight into the home life of the world's richest citizens. It tells of the menace of the money-peril—the money value of a human heart. All this is woven into a fascinating story that holds you like a vise; makes you laugh without an effort to be funny. A story that

Edmund T. Perkins.

makes men and women think. As powerful as a sermon. His second evening, August 24th, he will give "Christopher, Jr.," which is a fit companion for the above. You may rest assured that two nights with Elliott will be two nights not soon forgotten.

THE HOUSTONS will be the attraction on the night of August 25th in an evening of matchless magic, mimic and musical impersonations. The Houstons give the Lyceum and Chautauqua platform something entirely new in a program of magic, characterizations and musical mimicry combined. The most versatile of all magicians, a genius in mimicry, he has his audience at his mercy at every point, while Mrs. Houston, by her remarkable simplicity, grace and naturalness, grows upon the audience with every number. They present an original and novel entertainment and always have an agreeable surprise for their audience.

EDMUND T. PERKINS of the U. S. Reclamation Service, will deliver an illustrated lecture or travelogue, with beautiful colored stereopticon views of the Great American Desert. He will speak with firsthand knowledge of the arid West, and of the stupendous works the Government is erecting therein. He explains how the Federal Government is proceeding to erect a new empire on the desert plains by spending a million and a half dollars every month to bring water to the desert. In five years the new bureau has excavated more than one-third as much earth as will have to be moved at Panama. Its canals placed end to end would reach from New York to Denver. Before completion, this work will involve an expenditure seven times greater than that required for the great Panama Canal. This will be a picture

trip through the scene of ancient civilization in the Southwest, where the cliff dwellers tilled the soil by irrigation when Caesar sat upon his throne.

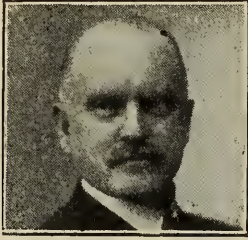

Colored views of their wonderful dwellings in the cliffs, their frowning battlements, and their canals will be shown. The Indian at work, illustrated with many pictures showing the evolution of the Apache from a scalp-lifter to a day laborer. His views, which are described as the most beautiful ever shown on a screen, include many of the towering structures now being erected by the Government.

The management of Old Salem unhesitatingly predict that this will be one of the most fascinating, entertaining and instructive lectures ever given on our platform.

The subject—"Reclaiming the Desert."

Educational and Other Departments.

MORNING PRAYERS. This helpful service is held in Brownell Hall daily, beginning at 7:30 A. M. It is Old Salem's hour of worship in which thanksgiving is offered to our Heavenly Father and the divine blessing invoked upon the whole camp and His guidance sought in the joys and labors of the day. Old Salem wishes to begin each day in this delightful atmosphere of song and prayer. We rejoice in the deep spirit of devotion which has in former years permeated every department of our work, and trust and predict that the spirit of evangelism will this year be greatly intensified by the splendid service of song at these morning prayer services, which will be under the leadership of Prof. F. Albert Arbuckle.

Dr. J. S. Rodgers.

Miss Frances C. Maghee.

DEPARTMENT OF BIBLE STUDY, at Brownell Hall at 8:35 to 9:35 A.M. daily throughout the Assembly.

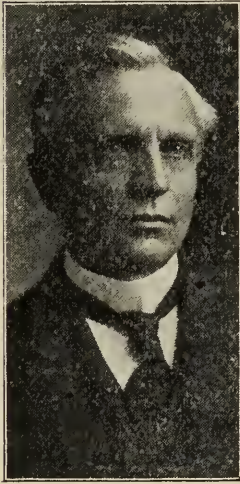

DR. JULIEN S. RODGERS of Atlanta, Ga., who will have charge of the Bible School for the sixth year, is a graduate of Mercer University, Macon, Ga. He was trained for Bible work by Dr. R. A. Torrey at the Moody Bible Institute in Chicago. Dr. Rodgers has proven himself a great Bible teacher and so endeared himself to the people at Old Salem that it seems almost demanded that he become a fixture in the Bible School. And our patrons will be delighted to know that this eminent Bible teacher is to lead us this year in the study of the Bible.

DEPARTMENT OF HOME AND FOREIGN MISSIONS, at the Hall of Applied Christianity, 9:40 to 10:40 A. M. daily (except Sundays), August 12-26.

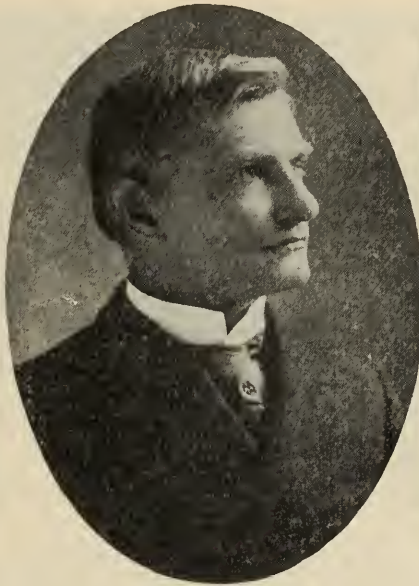

MISS FRANCES C. MAGHEE, who gave such eminent satisfaction last year, will have charge of this department. Miss Maghee is a graduate and ex-member of the faculty of the Boston School of Expression, and an ex-member of the faculty of Missouri Valley College at Marshall, Mo. She is thoroughly qualified by her long connection with the mission work of the church, and brings to classes a zeal and enthusiasm which inspires and instructs. The book for Foreign study will be "The Papal Lands," and for Home Missions, "The Freedman, or Negro, in the United States." These are the real vital questions before the church today, and this will be a great opportunity to all who desire to know the "How" of their solution under the helpful instruction of this very able teacher.

DEPARTMENT OF THE CHAUTAUQUALITERARY AND SCIENTIFIC CIRCLE, in C. L. S. C. Tent, 9:40 to 10:40 A.M. daily.

REV. M. C. COCKRUM. This department will again be under the direction of Rev. M. C. Cockrum, President of the Old Salem C. L. S. C., whose work for the past three years has given such splendid satisfaction. The Sunday Vesper services will be conducted as usual. Recognition Day will be observed on the afternoon of August 21st. All

Prof. D. Lange.

Prof. Binney Gunnison.

Mrs. Florence F.

C. L. S. C. readers who are ready to graduate are cordially invited to join with the class of graduates, pass through the Golden Gates and receive their diplomas from Old Salem Chautauqua. Write Rev. M. C. Cockrum, Decatur, Ill., for information about the C. L. S. C. work.

DEPARTMENT OF POPULAR SCIENCE OR NATURE STUDY, in the Auditorium at 10:45 A.M., August 12-18.

PROF. D. LANGE. This department will again be under the direction of Prof. D. Lange, Principal of the Humboldt High School, St. Paul, Minn.

Since Prof. Lange was here last year he has made two trips in the wilds of Northern Minnesota and Michigan, and he comes to us with much fresh material and enthusiasm.

Following is a list of subjects:

- I—"The Great Tidal Wave of Bird Life."
- II—"Interesting Outdoor Neighbors."
- III—"Great Journeys of Fish."
- IV—"Length of Life in Animals and Plants."
- V—"The Boundaries of Human Knowledge."
- VI—"The Gospel and the Law of Nature."
- VII—"On Camping and Living With Nature."

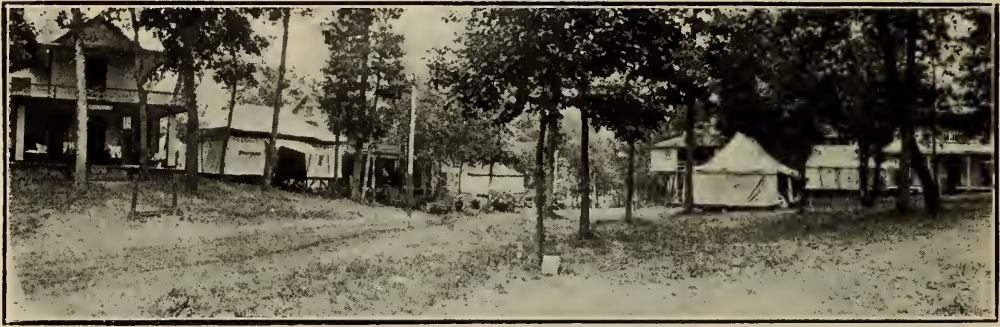

One or two round table meetings will be announced at the assembly.

DEPARTMENT OF EXPRESSION, Tent "A," 8:35 to 10:40 A.M. daily.

PROF. BINNEY GUNNISON, formerly instructor in the School of Expression in Boston, now of the James Millikin University, Decatur, Ill., and who has so ably conducted this department at Old Salem the past four years, returns to us again. The work will be divided into three sections:

- I—Study of the Speaking Voice, 8:30-9:30.

Vocal exercises of the most practical nature will be given to help people who talk in public or in private. These exercises will develop

IN TENTS AND COTTAGES.

health, clearness and richness of voice and magnetic power in public speech; they will also cure bad articulation, stammering and sore throats.

II—Study of Tennyson, 9:40-10:40.

Alfred Lord Tennyson was born the 6th of August, 1809. So it is peculiarly appropriate this year to devote our time to the study of Tennyson's life and works. The order to be followed will be:

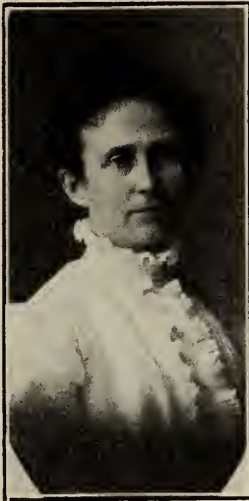

- August 12—"Tennyson's Life and Times."
- August 13—"The Princess."
- August 14—"Ballads and Other Short Poems."
- August 16 and 17—"In Memoriam."
- August 18, 19 and 20—"Idylls of the King."
- August 21—"Enoch Arden."
- August 23—"Maud."
- August 24—"Queen Mary."
- August 25—"Becket."
- August 26—"Locksley Hall and Crossing the Bar."

III—Private Consultation, 10:45 A. M.

The instructor will be very glad to discuss in private any question of throat, or voice, or speech. 2. Any problem of poetry or literature, or Tennyson. 3. Any difficulty in personal development of practical powers of mind or body.

DEPARTMENT OF PHYSICAL CULTURE, Brownell Hall, 9:40-10:40 A.M., August 16-26 inclusive.

MRS. FLORENCE FLEMING CLOUD, of Manchester, Ia., will have charge of this department. Mrs. Cloud comes to us with the very highest recommendations, having had charge of the Physical Culture department for three years at the State Normal School, Warrensburg, Mo., where she resigned in 1908 to accept a similar position at the State Normal School at Superior, Wis. She is a good illustration of the good effects of physical training, for in appearance she is the embodiment of grace and healthful vigor. She makes poetry out of physical exercise. All of the leading chautauquas where she has had charge of this work, class her as the very best. We predict that this department, under the direction of Mrs. Florence Fleming Cloud, will be made the best in the history of Old Salem.

Miss Margaret L. Mohegan. Miss Laura M. Smith. Mr. G. D. Sutton.

DEPARTMENT OF MUSIC, Auditorium, 8:35-9:35 A.M. daily.

PROF. F. ALBERT ARBUCKLE, the renowned chorus director, who so enthused, instructed and inspired the multitudes in the great tabernacle meetings, will have charge of the chorus work this year. And all may rest assured that the work will be well done.

DEPARTMENT OF KINDERGARTEN WORK, Tent "B," 8:35-10:40 A.M. daily.

MISS MARGARET LUCY MOHEGAN, one of the best Kindergarten teachers in the state, and who has given such great satisfaction in this department in former years, will have charge again. This will afford a rare opportunity to the children to be both entertained and instructed. Children under twelve years should enroll the first day at the Kindergarten Tent.

DEPARTMENT OF ART NEEDLE WORK, Lincoln Memorial Hall, 8:35-10:40 daily.

MISS LAURA M. SMITH, who has made this department so popular and helpful in the past years, will again be in charge. A large and new display of finished fancy work will be on exhibition, with a corps of competent instructors to direct in this art.

THE ASSEMBLY SABBATH SCHOOL.

THE ASSEMBLY SABBATH SCHOOL, which has an attendance of about one thousand, will be under the direction of one of the ablest Sunday School Superintendents in the State. Lesson Helps and Sabbath School Literature of the highest grade will be furnished. And the many classes will be supplied with able and competent teachers. Let all lovers of the Sabbath School work lend their assistance in making this not only the largest, but the best Sabbath School conducted at any chautauqua assembly in the west.

OLD SALEM BASE BALL TEAM.

DEPARTMENT OF OUTDOOR SPORTS, Athletic Field,
8:35-10:40 A. M.

MR. G. D. SUTTON, the man who has made athletics at Old Salem famous, will again be in charge, and special attention will again be given to Base Ball contests, which have proved so popular in past years. An Old Salem Nine will contest with some of the strongest amateur nines in the country. It is now certain that there will be a number of the hottest contests ever pulled off on the Old Salem Diamond.

Special attention will also be given to tennis, croquet, basket ball, quoits and other field sports. Every effort will be made to make this a red letter season on the athletic field at Old Salem. Special medals will be awarded to champions in the various contests.

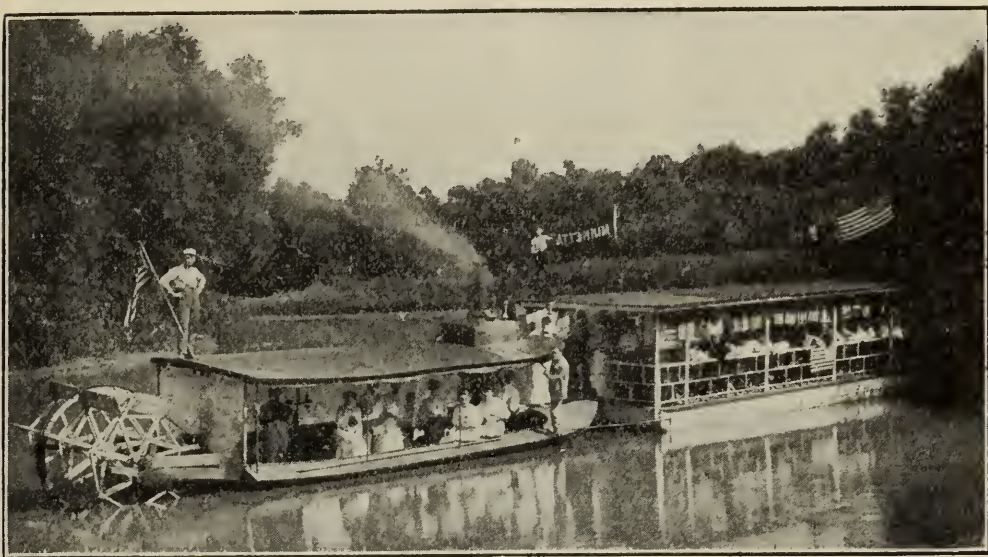

For further information write G. D. Sutton, Mason City, Ill.

GENERAL INFORMATION.

SECTION 1.—OLD SALEM'S EQUIPMENT.

SMITH'S FERRY AT OLD SALEM. For the convenience of those who may be moving to Old Salem from the west side of the river and south of Petersburg, J. G. Smith will begin operating his large steam ferry on August 10th, and continue up to and including "Moving In Day," August 11th. This will save you the long drive by the bridge at

STEAMBOAT EXCURSION ON THE SANGAMON.

Second: Persons who have not visited our grounds find it difficult to believe the statement that this Chautauqua is better equipped for its work than any other in the West. Its large and convenient **Auditorium** accommodates an audience of 5,000 people, and a chorus of 200 voices, with the platform in direct view from every one of the comfortable seats therein; it is lighted by electricity and possesses thoroughly satisfactory acoustic properties. - Three splendid **Class Buildings**, the Brownell Hall for Bible Study, the Lincoln Memorial Building, and Jenison Hall of Applied Christianity, supplemented this year by **Three Large Class Tents**, afford superior accommodations for our schools. **Nine Commodious Headquarters Buildings** have been erected by different churches, lodges and colleges, and add much to the working equipment of the Chautauqua by affording places for social gatherings and the many conferences which form so large a part of an assembly like ours. Its **Private System of Waterworks** increases the comfort and convenience of guests by distributing pure water from our own battery of deep wells to all parts of the grounds. Instead of providing its patrons with ice water, as heretofore, there will be furnished at different places on the grounds ice cooled water by means of coils of pipe surrounded with ice, after the most approved sanitary devices; and the improved and enlarged **Sanitary Sewerage System**, so important to health and comfort, is the most perfect possessed by any Chautauqua. The placid river affords facilities for **Boating**, and a fleet of elegant row boats, of the safest pattern, are subject to rental at a nominal price. Fine **Tennis Courts** are provided for lovers of that game, and tennis racquets should not be omitted from your camping outfit. **Croquet Grounds** are also provided, and this game is very popular among the assembly patrons—be sure to bring your croquet set along. A **Basketball Field** will be

A CORNER OF THE AUDITORIUM.

provided, and lovers of this game should come prepared for it. The new **Athletic Field** contains a fine **Baseball Diamond**, in addition to the **Quarter Mile Cinder Track**, and all forms of field sports can be enjoyed upon it. The new and commodious **Railway Depot**, erected jointly by the Chautauqua Association and the Chicago, Peoria & St. Louis Railway Co., makes possible the rapid and safe handling of the large crowds which arrive on the suburban train. The **Old Salem Hotel**, with its comfortable rooms, affords accommodations for transient guests, and the **New Dining Hall** is equipped for furnishing good and satisfactory meal service to all. The **New Bath House** supplies a long-felt want, and is a convenience provided by no other similar institution, while the fine **Swimming Pool** will afford unbounded pleasure to all who enjoy a plunge in clear, cool water. But there are so many things about and within the Chautauqua Park which will make a summer's outing pleasant for young and old that room cannot be had to mention them—and all this in addition to the best program ever given in the West.

SECTION 2.—FACILITIES FOR COMFORTABLE CAMP LIFE.

Every facility for a pleasant camp life is provided. The merchants of Petersburg have a joint store upon the grounds, in which a complete stock of groceries and supplies is available at all times, and in addition will have their representatives call upon the campers twice each day to take orders for supplies of all kinds, which will be delivered at the several camps for the prices regularly charged their town customers. Ice will be delivered upon the grounds daily, and

TWILIGHT ON THE RIVER.

campers will be supplied at reasonable prices. Bring a small gasoline stove with you, or rent one from the Tent Concessioner, and live in your own tent home. Or, if you prefer to secure your meals elsewhere, we unhesitatingly recommend our Dining Hall, where excellent meal service is provided at very reasonable prices. See Section 11.

SECTION 3.—HOW TO ARRANGE FOR CAMPING AT OLD SALEM.

First—Secure a lot or tent space. (See Sections 4 and 5, page 32.)

Second—Order your tent, tent floor and furnishings from the Baker & Lockwood Company, Kansas City, Missouri, and be sure to give your lot or tent space number correctly when you order. (See Section 6, page 32.)

Third—Give your baggage checks to employes of the Williamson Bus & Baggage Line, which will have an office on the grounds. If a mistake has been made in delivery of your baggage, you can report same at that office for correction.

Fourth—Upon arrival at the Chautauqua grounds, go at once to the Bureau of Information, where all necessary information can be secured. **Don't fail to register** during your first visit to the Bureau of Information. (See Sections 13 and 14, page 36.)

A RECEPTION AT C. L. S. C. HEADQUARTERS.

SECTION 4.—SALE OF LOTS.

Choice lots for cottage building and for camping purposes can be purchased from the Chautauqua Association at reasonable prices. Lot owners become members of the Chautauqua Association, and have a voice in its management. Inquire at the Business Headquarters of the Chautauqua Association, or write the Superintendent for further particulars.

SECTION 5.—RENTAL OF LOTS AND CAMPING SPACE.

We can supply persons who do not own lots with camping space at the following rates: Regularly platted lots, 30x50 feet, \$2.00 for the entire assembly. Tent space large enough to accommodate a tent, \$1.00 each. A number of lots owned by members of the Association are listed with us for rental and may be had, ordinarily, at the rental price of \$3.00 each. Rent is payable in advance in all cases. Send money with your order. If we cannot fill your order, the money will be returned. The early orders will secure the most desirable spaces, of course; therefore, order early.

SECTION 6.—TENTS AND TENT SUPPLIES.

BAKER & LOCKWOOD MANUFACTURING COMPANY, Kansas City, Missouri, will be the Tent Concessioners. (They will build the floors, also). Send your orders to them at Kansas City until August 1; after that date their Tent Manager will be on the grounds, and orders should then be sent to Baker & Lockwood Mfg. Co., care of OLD SALEM CHAUTAUQUA, Petersburg, Illinois. The same competent men, or others equally as good, will take care of you.

Unless specially instructed, they will build floors and pitch tents according to their judgment, but don't hesitate to write them regarding this or any other matter. Address all communications to Baker & Lockwood Mfg. Co., Kansas City, Missouri.

ANOTHER DENOMINATIONAL RECEPTION.

SECTION 7.—HOW TO REACH OLD SALEM.

The accessibility of OLD SALEM CHAUTAUQUA is one of the reasons for its phenomenal success. The Chicago & Alton Railway (Chicago-Kansas City Line) and the Chicago, Peoria & St. Louis Railway (the St. Louis-Peoria Line) both pass through Petersburg, affording direct access to hundreds of thousands of people living in their territory. Convenient connections are made by them at Chicago, St. Louis, Peoria, Jacksonville, Springfield, and many other important junction points, affording unrivalled accessibility.

SECTION 8.—REDUCED RATES AND RAILWAY ARRANGEMENTS.

A number of special low rate excursions will be run to the assembly. Watch the railroad advertisements for notices of same. About ten days or two weeks before you are ready to start, ask your railroad agent if he has instructions to sell excursion tickets to Petersburg on account of OLD SALEM CHAUTAUQUA.

SECTION 9.—SUBURBAN TRAIN SERVICE.

From Petersburg, a suburban train service, making the round trip every twenty minutes, is provided by the C., P. & St. L. Railway; fare, 5c each way. This suburban train backs up within a short distance of the Chicago & Alton station, carrying passengers to and from the trains on that railway.

OLD SALEM HOTEL.

SECTION 10.—OLD SALEM HOTEL,

Containing lodging rooms, a dining hall and a lunch counter, is conveniently located a little east of the Auditorium. The entire building is lighted with electricity. The room department of the hotel will be under the direct management of the Chautauqua Association, and no effort will be spared to accommodate and please its patrons. The hotel will be operated on the European plan. Prices for rooms as follows: One person in a room, \$1; two or more persons in a room, 75 cents each. Liberal patronage is solicited, and every dollar received over the actual operating expenses will be applied for the benefit of the Chautauqua.

SECTION 11.—DINING ROOM AND LUNCH COUNTER.

These important departments will be operated by George R. Francis, whose reputation as a caterer ranks equally with anyone in the West, and who is so well and favorably known to patrons of Old Salem. Both the dining hall and the lunch counter will be well screened, comfortably seated, and lighted with electricity. The dining hall has a seating capacity for 300 guests at one sitting. Regular meals will be served here of superior quality for 35 cents each. Commutation tickets, good for ten meals, will be served for \$3.00. The lunch room will be large and convenient, and the service complete and satisfactory.

Service will be a la carte. Short orders can be secured at all meal hours.

BATH HOUSE AND SWIMMING POOL.

SECTION 12.—BATH HOUSE AND SWIMMING POOL.

Another of the splendid luxuries is the Bath House and Swimming Pool—an attractive structure located on the highest hill within the Chautauqua grounds. The Bath House contains twelve tubs and six shower baths, with a large number of dressing rooms. The Swimming Pool is 65 feet long, contains filtered soft water, artificially warmed, and graduated in depth from 2 to 5½ feet. The pool is completely enclosed, and the sexes will be entirely segregated. Both bathrooms and pool will be open in the morning for the use of ladies, and in the afternoon for the use of men. All necessary attendants and towels will be provided, and choice of tub, shower or plunge bath can be had for 25c. Do not omit a bathing suit from your camping equipment.

SECTION 13.—BUSINESS HEADQUARTERS AND BUREAU OF INFORMATION.

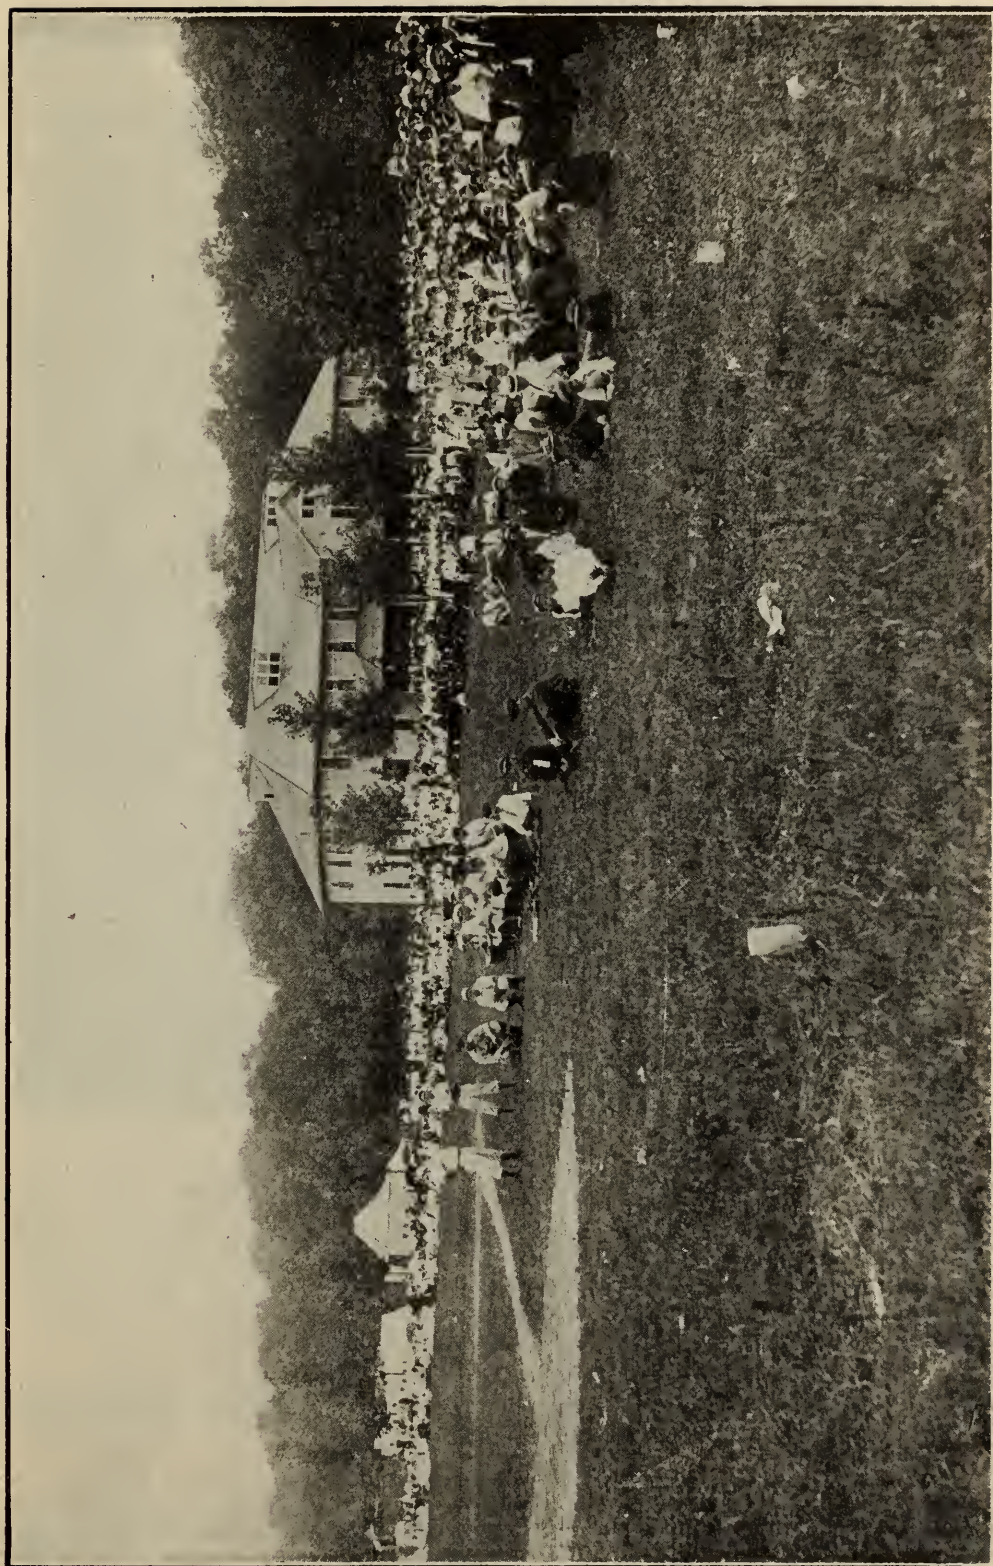

The general office of the Association will be conveniently located near the center of the grounds, and all business matters relating to the Chautauqua Association, or to the Twelfth Annual Assembly, should be referred to the officers who will be found there.

SECTION 14.—PLEASE REGISTER.

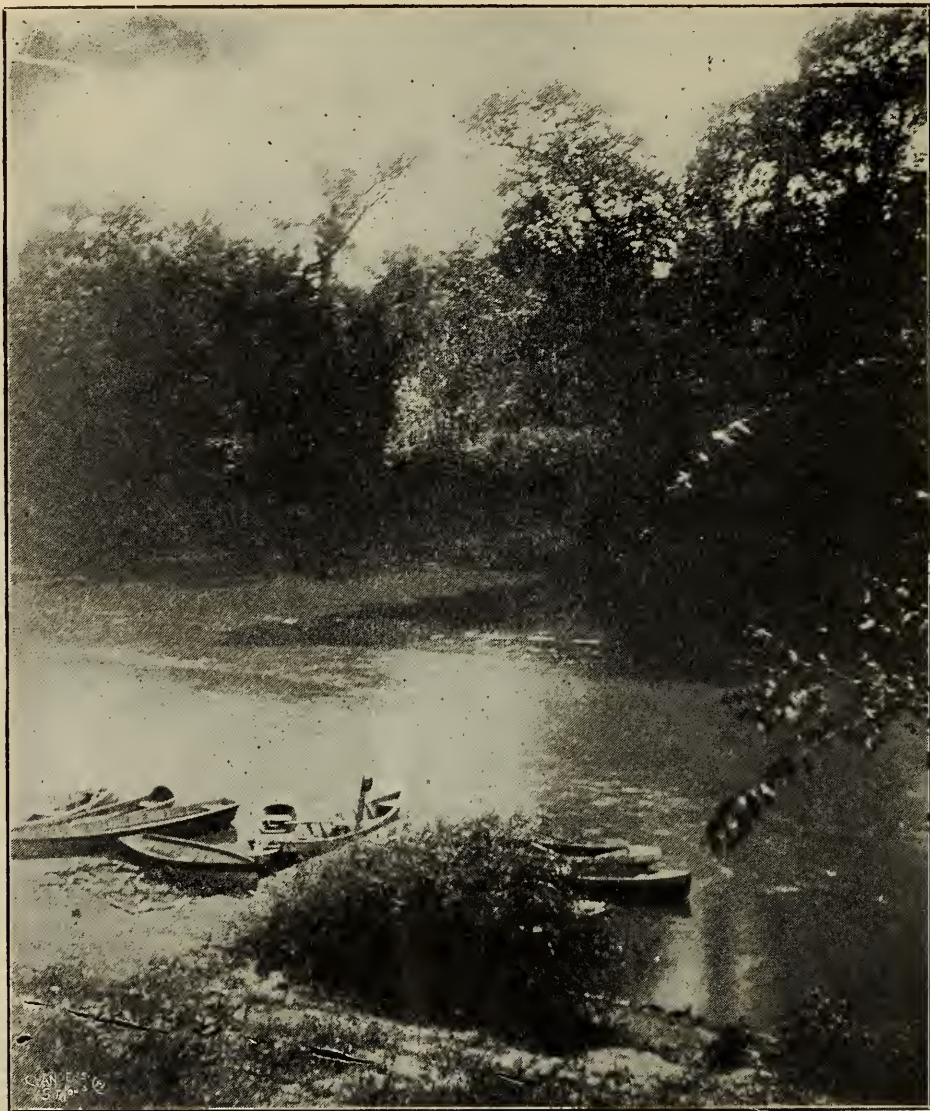

All campers and visitors are requested to register at the Bureau of Information immediately upon arrival, so that they may be found in case a telegram or telephone message is received for them, and so that their friends may be directed to them. This is important; do not neglect it.

SECTION 15.—POSTOFFICE FACILITIES.

Mail addressed to Petersburg, Ill., in care of OLD SALEM CHAUTAUQUA, will be brought to the grounds twice a day, and may be received from the assembly postoffice, which is a branch of the Petersburg postoffice, and is operated under the direction of the postmaster in charge of that office.

WE PLAY BALL AT OLD SALEM.

AS PLACID AS A LAKE.

SECTION 16.—TELEPHONE FACILITIES.

Both Central Union and Independent long distance telephone stations are located on the grounds. Campers can arrange for a phone in their tent or cottage if they desire.

SECTION 17.—POLICE PROTECTION.

The assembly grounds are thoroughly policed night and day. No fears concerning the safety of property or the protection of person need be felt by any patron of the assembly.

SECTION 18.—FEED YARD.

A feed yard has been equipped at the southeast corner of the grounds, which will be operated by the Chautauqua Association. Good shade, plenty of water, careful attendants and remoteness from the railroad will conspire to make this necessary institution satisfactory to all. The feed yard is within the Chautauqua grounds, easy of access, and no return checks will be needed.

SECTION 19.—NOTICE TO AUTOMOBILE OWNERS.

Automobiles will be permitted to discharge passengers at a point near the auditorium, the same as other conveyances, but are requested to keep off of the roads leading to the grounds on August 10th and 11th, when so many teams will be coming and going on these moving in days. A convenient parking place for automobiles will be arranged on the grounds.

SECTION 20.—ASSEMBLY TARIFF.

The cost of OLD SALEM'S program has doubled within the past five years, but despite this fact the same proportionately low prices of admission will prevail. The cost of a season ticket is just 16 2-3 cents per day, as in the past. Season ticket holders have their choice of nearly 450 separate and distinct exercises, at a pro rata cost of less than 2 cents each. There is no place on earth where so much is given for the price. The prices of admission are as follows:

Adults' season ticket, admitting to all the schools and Auditorium exercises	\$2.50
Child's season ticket, admitting children under 12 years of age to all the schools and Auditorium exercises.....	1.25
Adults' single day ticket, good for one admission to all the schools and Auditorium exercises, until 11 o'clock at night.....	.25
Child's single day ticket, subject to same restrictions and good for same privileges	.15

Season tickets are good for entrance to the grounds at the owner's pleasure. Single day tickets are good for one entrance only, and no return checks will be issued thereon. Persons desiring to leave the grounds and return during the same day should purchase season tickets, as no other form of ticket will secure this privilege. All tickets are non-transferable, and will be taken up and cancelled and regular admission fee collected if presented by any other person than the rightful owner.

SECTION 2 OF AN ACT FOR THE PROTECTION OF CHAUTAUQUA ASSOCIATIONS—STATUTE OF ILLINOIS. UNLAWFUL ENTRANCE PENALTY.

"That whoever, during the holding of any annual assembly of any Chautauqua Association, shall with intent to defraud any such assembly, enter or shall attempt to enter, or shall remain on the grounds or enclosure of any building within or upon which such assembly is being held, without having permission from the proper authorities thereof, or without having purchased and surrendered a ticket of admission which shall entitle him so to enter and remain, or without having complied with the published rules of such association in regard to entrance thereto, or remaining thereon, shall upon conviction be fined not less than two nor more than twenty dollars for each offense."

SECTION 21.—INFORMATION AND COPIES OF THIS BOOKLET SUPPLIED.

Copies of this program will be sent to persons who might be interested in same, upon request. Send us names of your friends who are, or ought to be, vacation takers, and help us interest them in OLD SALEM. Write names and addresses very plainly.

Inquiries for further information will be gladly and promptly answered by, and all correspondence concerning the assembly should be addressed to Superintendent J. M. Johnston, Petersburg, Ill.
