Fifty-Fifth Season New Piasa Chautauqua

The 1940 season at Chautauqua will open Saturday, June 15th and continue to Sunday, September 15th. Fourteen weeks of enjoyable living at this lovely summer resort within easy reach of St. Louis and vicinity awaits vacationists looking for rest, recreation and entertainment so arranged to suit all ages.

A ten week program beginning June 29th is made up of a most enjoyable series of entertainments with new and attractive features arranged for the enjoyment of all.

Piasa Chautauqua in the Summer Assembly season stands primarily for the simplicity and naturalness of Christian living. It is built on the faith that unaffected, straightforward religion makes a life neither sanctimonious nor fanatical, but simple, normal, vital, free and glad.

Piasa Chautauqua in its independent environment presents a concrete picture of social Christianity, applied not in any Utopian scheme, but in the everyday relations of neighbors dwelling wholesomely together on principles of Christian good will.

In an atmosphere as unconstrained as the atmosphere of a good home, Piasa Chautauqua rejoices in all the spontaneous joys of family and neighborhood life, enlarging the family sympathies to include the neighborhood and intensifying the neighborhood sense with much of common interest. Not as an addition to, but as an expression of the simple life it wishes to cultivate.

Piasa Chautauqua gives large place for recreation, amusements—downright fun. From the initial of religion Piasa Chautauqua reaches out for everything that is hearty, hale, whole and unpretentious, and finds itself still within the pale of religion interpreted by its own large ideals.

Whoever loves this comprehensive wholeness of life and despises the tacked-on conventionalities of artificial social standards—whoever prefers freedom and frankness—will be welcome at Piasa Chautauqua, and having come, will be glad for Piasa Chautauqua.

Supervised Play!

A new departure this season for the children of Chautauqua will be morning and afternoon sessions of organized play under the supervision and sponsorship of the Ladies' Civic Improvement Association.

Recreational hours of play as well as instructive work conducted on the lines of modern child welfare and progressive educational study will be under the leadership of Miss Beatrice Dickman and Miss Ethel Niergarth.

All children of Chautauqua are invited to join these classes without expense and take part in the summer activities five days of each week during the program season.

Athletics

With the opening of the new athletic field and Recreation Arena near the River front, athletics will take on new life in Chautauqua.

A standardized baseball diamond, with comfortable bleachers to accommodate all spectators, has been constructed, and arrangements are being made for badminton, basketball, tennis, corkball and quoits in the new park. This new field, together with the old facilities for tennis, roque, horseshoes, badminton, basketball, track, field events and other activities will make the 1940 season long to be remembered.

The Athletic Committee has arranged an interesting program of events and your co-operation is requested to make the 1940 summer a success.

Mrs. Clare Ditto will again be in charge of all music this season. She will direct the community singing and have charge of the choral work.

The Girls' Club

The Chautauqua Girls' Club was organized August 2nd, 1933, under the sponsorship of Mrs. Charles M. Horner of East St. Louis.

The object of the Club is to bring the Girls and Young Women of Chautauqua together in a social way, and to work for the good of Chautauqua as opportunity affords.

One of the outstanding organizations of Chautauqua is the Chautauqua Men's Club, organized some fifteen years ago, composed of all the Men on the Grounds. It has a long record of service for the improvement of Chautauqua.

Some of its achievements have been the Safety Campaign, for "Safe Driving and Safe Walking" which has kept accidents down to a minimum and made Chautauqua a safe place for children; the erection and supervision of the Wick-i-up, the fireplace at the Riverfront and other improvements, and in 1938 and 1939 the formation of the Yacht Club, which made Chautauqua boat conscious, and made the new Lake a scene of great activity.

The 1940 Officers are:

President.....MR. FRED STILLMAN

Vice-President.....MR. A. B. KURRUS
Secretary and Treasurer.....MR. CAMPBELL WOOD
